

R-S1-571 571 HEX HEAD COACH SCREW

Coach screws for application in wood

PACKAGING

FEATURES AND BENEFITS

Each packaging features two highly functional solutions: the Ziploc type re-sealable zipper and the sturdy upper packaging section. This allows for the bag to be opened and closed multiple times, provides for secure storage of products for a long time, and facilitates display by preventing the bag from folding.

Depending on the product type, and its weight in particular, the Rawlplug comes in two standard thickness versions. All this to ensure durability and strength of our packaging in transport, the highest quality of product display, and ultimately also long-lasting storage.

The bags are made entirely of low-density polyethylene, which makes them suitable for recycling and reduces the related purchase costs

A (mm)
65 X 130

B (mm)
80 X 145

C (mm)
95 X 165

D (mm)
95 X 220

E (mm)
145 X 220

F (mm)
145 X 290

PRODUCT

FEATURES AND BENEFITS

Wood screws with hexagon head according to DIN 571

Made of zinc-plated low-carbon steel

Thread geometry allowing application in all wood materials

Hexagon flat head allows the screw to be flush with the surface

BASE MATERIALS

Wood

Timber

Chipboard

Wood with metal
