

MN-91-131 Battery 18V 2,0Ah

Battery compatible with all power tools and chargers of the Modeco System 18V series

Features & benefits

- Battery compatible with all power tools and chargers from the Modeco System 18V series
- Modern lithium-ion technology ensures high efficiency of the battery
- Fast charging reduces downtime during operation
- The use of one type of battery for several devices increases the convenience of use and reduces costs
- The charge status indicator allows you to optimally schedule work time
- The electronic system for deep discharge protection allows you to extend the battery life

Applications

- Designed for powering all cordless power tools of the Modeco System 18V series
- Designed for use with all Modeco System 18V series chargers

Equipment

- Battery MN-91-131 Li-Ion, 18 V, 2,0 Ah
- User manual
- Carton box

Users

- Fitters
- DIY enthusiasts
- Mechanics
- Electricians
- Carpenters
