

MN-91-147 Reciprocating saw 18V, 20mm

A lightweight reciprocating saw for cutting wood and other building materials

Features & benefits

- Power tool compatible with Modeco System 18V batteries
- Cutting depth in wood up to 150 mm
- Pendulum action
- Keyless base adjustment
- Electronic stroke frequency control
- Electronic protection stops the device if the spindle locks
- Rubber-lined, profiled handle increases grip and work comfort
- Comfortable and lightweight construction reduces fatigue during long-term work

Applications

- Designed for cutting wood, wood-based materials, plastics, metals and other building materials

Equipment

- MN-91-147 Reciprocating saw 18V, 20mm
- Parallel fence
- User manual
- Carton box

Users

- Fitters
- DIY enthusiasts
- Mechanics
- Electricians
- Carpenters
