

R-RC-HC1 Folding transport trolley - RawlCase

Transport trolley with a lifting capacity of 120 kg dedicated to transporting RawlCase system suitcases

Product information

Features and benefits

- 49 x 36 cm profiled foot and strong rubber cable prevent RawlCase system cases from slipping during transport
- Large rubberized wheels with a diameter of 17 cm, facilitate driving up in difficult construction conditions
- The metal construction provides a high payload that can transport cases weighing up to 120 kg
- Foldable wheels and handle allow the transport trolley to be stored in a small area

Applications

- Designed for transporting RawlCase system cases
