

## MN-20-100 Multifunctional pliers

### Professional universal pliers for electrical installation works

#### Features & benefits

- 6 in 1 - Replaces 6 different tools
- The rebound spring supports and facilitates cutting cables
- The universal die for crimping thin-walled cable sleeves from 0.5 to 2.5 mm<sup>2</sup>
- Stripping wire insulation for very popular wire cross-sections from 0.75 to 1.5 mm<sup>2</sup> and 2.5 mm<sup>2</sup>
- Distinct outer edge designed for deburring and flush-mounted boxes processing
- The smooth gripping surface prevents damage when gripping, flattening and rounding
- The fine, serrated gripping surface for a firm grip on flat and round material without damaging it
- The cable shears with profiled blades allow you to cut cables up to a diameter of 15 mm and an area of 50 mm<sup>2</sup>
- The opening blockade holds the jaws in the closed position, protecting them against damage and facilitating storage, at the same time allowing gripping without the need to fully open the pliers

#### Applications

- Professional universal pliers for electrical installation works

#### Users

- Electricians
- Fitters
- DIY enthusiasts
- Mechanics
