

## MN-23-066 Wire stripper 125mm 0.34-6mm<sup>2</sup>

### Pliers for stripping cables of various diameters

### Features & benefits

- Precision ground blades allow easy cutting and stripping of wires in the range 10-22 AWG (0.34-6 mm<sup>2</sup>)
- The jaws made of high-quality SK5 carbon steel guarantee high durability and precision of operation
- The jaws adapted to 6 different diameters of cables protect them against damage and increase work efficiency
- The locking lock allows the jaws to be locked on the hose and prevents the jaws from opening automatically
- The rubberized non-slip handle provides a comfortable grip and work comfort
- The small and handy pliers with a length of 125 mm allow you to work freely even in hard-to-reach places

### Applications

- Application during electrical installation works
- For stripping electrical wires

### Users

- Electricians
- Fitters
- Mechanics
- DIY enthusiasts
