

MN-03-219 Leather hammer holder

Functional hammer holder

Features & benefits

- Made of real leather, which makes it resistant to abrasion and other mechanical damage
- Linkings are reinforced with rivets which enhance pouch durability and service life
- An additional pocket allows the transport of small tools
- A solid steel handle ensures durability and safe suspension of the hammer

Applications

- Designed for transporting a hammer, nails and other small items that must be at hand

Users

- Joiners
- Roofers
- Electricians
- Fitters
- DIY enthusiasts
