

R-PAG18-PV-XL2UK Cordless RawlGrinder 18V 125mm

The 18V angle grinder with a rotational speed of 9000 rpm and a disc diameter of 125 mm allows for quick and precise cutting and grinding of steel and concrete

Certificate

Product information

Features and benefits

- Powerful brushless motor ensures high efficiency of the mechanism and increases the life time of the power tool
- Rubberised, profiled handle increases grip and user ergonomics
- A safety paddle switch prevents the machine from being started accidentally
- High dust resistance increases the life-time of the angle grinder
- The rotational speed control facilitates the selection of appropriate operating parameters, depending on the accessories used
- Compact design and lightweight construction reduces fatigue during long-term use
- The electronic motor brake system stops the disc as soon as the grinder is switched off for additional safe operation

Applications

- Timber constructions: Barking / grinding wood
- Grinding and cutting of stainless and carbon steels
- Grinding and cutting of concrete and reinforced lintels

Base materials

- Stainless Steel
- Ceramics
- Concrete
- Solid Brick
- Wood
- High-Density Natural Stone

Corresponding products

- R-BAT-182001 Battery Li-Ion 18V, 2,0Ah
- R-BAT-185001 Battery Li-Ion 18V, 5,0Ah
- R-CHR-181501 Charger 18V, 1,5A

Set includes

- R-PAG18-PV Cordless Rawl-Grinder 18V 125mm bare tool
- 2pcs of R-BAT-185001 Li-Ion batteries, 18 V, 5.0 Ah
- R-CHR-186501 Charger 18V, 6,5A
