

MN-13-00 Slotted screwdrivers with striking cap

Professional slotted screwdrivers of Cr-V steel with wooden hammer and hexagonal shank

Features & benefits

- Professional screwdriver with the possibility of hammering and unscrewing (tightening) of the seized (worn-out) screws
- Hexagonal shank of the screwdriver enables you to tighten with a wrench, which facilitates hard work
- Made of high-grade chrome-vanadium steel bit ensures long service life of the product

Applications

- Designed for assembly and maintenance works, e.g. in car repair shops as well as for heavier metal works etc.

Users

- Mechanics
- Locksmiths
- Fitters
- Carpenters
- DIY enthusiasts
