

MN-11-070 VDE screwdriver set

Set of 1000 V insulated electrical screwdrivers with Cr-V steel bit

Certificates (icon):

Features & benefits

- High-grade chrome-vanadium steel design of the screwdriver bit ensures long service life
- Insulated screwdriver enables work with up to 1000V wirings (the device must be disconnected from the power supply)
- Two-component ergonomic handle enables a good grip, increases comfort and precision of work
- Marking of the bit type on the handle facilitates the selection of the right screwdriver

Applications

- Intended for any works with live devices
