

MN-20-15 Side cutting pliers 1000 V, VDE

Insulated side cutting pliers 1000 V made of Cr-V steel

Certificates (icon):

VDE

Features & benefits

- Pliers have insulated handles (certificate: VDE- IEC60900:2004), which permits their use with energised devices
- Tools made of high quality chrome-vanadium steel provide their long service life
- Two-component ergonomic handle enables a good grip and better comfort of work
- Precisely made cutting blades of 55 HRC, inductively hardened, provide a clean cut of mild and hard wire

Applications

- Intended for cutting soft wires and cords with maximum diameter of 1.6 mm
- Intended for industrial, workshop, assembly, electrical and maintenance works

Users

- Electricians
- Fitters
- DIY enthusiasts
- Mechanics
