

## MN-31-3 Rubber hammer with fiberglass handle

Rubber hammers with white rubber hammer head and durable handle "fiberglass"

### Features & benefits

- Hammer handle, which is made of durable fibreglass, ensures lifelong durability and deadens vibrations, thus providing higher work comfort
- Hammer head, which is made of a special type of rubber, ensures high durability of the product and work without getting the processed material dirty

### Applications

- Intended for assembling/disassembling various components without damaging their surface

### Users

- Tilers
- Fitters
- Masons
- Warehousemen
- DIY enthusiasts
