

MN-57-207 Set of sockets 17 pcs 1/4"

17 pcs. set of sockets, extension bars and a socket wrench 1/4" of CR-V steel

Features & benefits

- High-quality chrome-vanadium steel ensures a long service life of the product
- Maxxdrive system holds worn-out bolts and nuts firmly as well
- Ratchet containing 36 teeth enables precise operation every 10 degrees
- Thanks to the built-in switch, the ratchet allows both loosening and tightening of bolts or nuts
- Satin and polished surface of tools protects them from corrosion
- 1/4 inch drive is intended for performing precise work

Applications

- Designed to work where precision is required and movement is restricted. Is suited for heating, air-conditioning installations, exhaust systems, automatic gearboxes, motors etc.
