

MN-81-20 Retractable tape measures pro chrom

Retractable measuring tapes, I class of precision, with nylon covering and three fixing rivets

Certificates (icon):

Features & benefits

- The meter meets strict EU requirements acc. to I class of precision (measurement error may be equal to +/-0.3mm per 2 m)
- White measuring tape is well visible during measurements
- Special additional coat on tape extends its service life and reduces abrasion
- Three rivets fastening measuring catch connect them durably with the tape
- Rubber-lined housing ensures better resistance to shocks

Applications

- Retractable measuring tape is one of the most basic tools for each DIY enthusiast and building worker. Is irreplaceable for most construction and repair works

Users

- DIY enthusiasts
- Joiners
- Roofers
- Road workers
- Electricians
