

MN-81-2 Steel hand tapes

Steel hand tape with two-component ergonomic rubber-lined housing

Features & benefits

- The meter meets the EU requirements acc. to II class of precision (measurement error may be equal to +/-0.7mm per 2 m)
- Yellow steel durable tape is highly visible during measurements
- Special wide catch making measurements easier
- Two-component ergonomic rubber-lined housing ensures better resistance to shocks
- Hand tape equipped with mechanism with a lever facilitating coiling the tape

Applications

- Useful for bigger measurements in gardening, building and road industry

Users

- Road workers
- Gardeners
- Joiners
- Roofers
- Pavers
