

MN-74-051 Stainless steel trowel for external edges

Stainless steel trowel 60 x 100 mm for external corners, three-point welded

Features & benefits

- Profiled blade allows you to work in hard-to-reach places and in external corners
- Made of stainless steel, which provides corrosion resistance
- Three-point weld guarantees firm fixing of the blade
- Galvanically refined surface of the cap prevents corrosion
- Handle is made of solid wood and enhances work comfort

Applications

- Intended for applying and evening mortars in external corners

Users

- Tilers
- DIY enthusiasts
- Painters
- Bricklayers
- Masons
