

MN-74-208 Stainless steel trowel for internal edges

Stainless steel trowel 100 x 60 mm for internal corners, welded four-point

Features & benefits

- Special shape of the blade allows you to work in hard-to-reach places and in internal corners
- Two-component handle provides a strong and ergonomic grip
- Made of stainless steel, which provides corrosion resistance
- Four-point seal guarantees firm fixing of the blade
- Blade tie bar made of acid-proof steel provides corrosion resistance

Applications

- Intended for applying and evening mortars in internal corners

Users

- Gypsum plasterers
- Tilers
- Bricklayers
- Painters
- DIY enthusiasts
