

MN-73-1 Foam rubber floats

Hydro rubber floats 260 x 120 mm

Features & benefits

- Made of hydro sponge, which assures high water absorption capabilities without smudges
- Special type and structure of the sponge allows the wicking while floating of cement-lime plasters
- Made of hardened material, which assures the stiffness of the product during work
- Ergonomic handle enhances work comfort

Applications

- Intended for floating cement-lime plaster

Users

- Tilers
- DIY enthusiasts
- Painters
- Bricklayers
