MN-73-1 Porous sponge floats

Sponge floats 260 x 120 mm

Features & benefits

- Ergonomic handle enhances work comfort
- Made of hardened material, which assures the stiffness of the product during work
- Soft sponge with a thickness of 25 mm ideally removes the surface without smudges
- Hard porous sponge with a thickness of 25 mm ideally removes harder and larger dirt caused by grouting.

Applications

• Intended for cleaning tiles after grouting

Users

• DIY enthusiasts
• Tilers
• Painters
• Bricklayers
