

MN-03-466 Tool bag

Open tool bag 500 x 230 x 280 mm with metal handle

Features & benefits

- Made of special "Cordura" material, which provides high resistance to abrasion
- Open bag structure provides easy access to tools and accessories
- Reinforcement of seams with polyester tape results in the increase of bag's durability and service life
- Metal handle also reinforces and stiffens the bag
- Has an attachable shoulder strap which increases transport comfort
- 23 pockets which enable the organised storage of a large number of tools and accessories

Applications

- For storing and transporting tools, power tools and accessories

Equipment

- Attachable shoulder strap

Users

- DIY enthusiasts
- Mechanics
- Fitters
- Plumbers
- Electricians
