

MN-93-210 Orbital finishing sander 300 W

Finishing sander 115 x 230 mm 300 W with aluminum shoe and ergonomic handle

Certificates (icon):

Features & benefits

- Durable aluminum 115 x 230 mm pad and 300 W power are best suited for sanding large, flat surfaces
- Since the pad extends forward, sanding close to corners and edges is possible
- Keyless system for quick sandpaper change greatly speeds up work
- Connecting a vacuum cleaner to the chippings/shavings extraction system means less dirt and dust in the workplace
- Ergonomic handle covered with anti-slip material ensures safety and comfort of operation
- On/off switch lock is useful during long work sessions using the grinder
- Container for collecting produced dust
- **Red Plug Service** guarantees quick repair of a broken tool though free courier shipment from and to the customer

Applications

- Intended for sanding flat surfaces such as: doors, furniture with a simple finish, wooden kitchen countertops and slightly rounded surfaces

Equipment

- Dust container

Users

- Carpenters
- DIY enthusiasts

Corresponding products

- MN-68-5 Sanding sheets
