

MN-15-391 50 mm PH bits**PH bits 50 mm long, made of high-grade S2 steel with ACR system****Features & benefits**

- ACR system and the corrugated head of the bit facilitate handling of the screw during work
- High quality S2 steel increases service life and allows you to use a greater number of screws and fasteners
- 55-58 HRC steel hardness increases resistance to torsional stresses while screwing and extends the service life of the product

Applications

- Intended for use with a cordless drill and driver
- Intended for screwing the screws into wood and drywalls, as well as for other fastenings with the Philips socket

Equipment

- 10 bits in one packaging

Users

- Roofers
- Electricians
- Fitters
- DIY enthusiasts
- Mechanics
