

MN-76-12 Tungsten-coated hole saws

Hole saws with tungsten carbide tip with mounting catches

Features & benefits

- Catches of hole saw provide a strong mouting in the outer ring and constant drilling parameters
- Tungsten coating enables large diameter drilling in hard and brittle materials

Applications

- Intended for using with a drill and cordless drill-driver
- For drilling holes in ceramics, tiles and terracotta

Users

- Tilers
- Fitters
- Masons
- DIY enthusiasts
- Bricklayers
