

MN-68-605 Backing pad for drills

Backing pad 125 mm for drills with velcro fastener

Features & benefits

- High elasticity of the disc increases its durability and enables it to get to hard-to-reach places
- Velcro fastener allows you to replace the paper quickly
- Diameter - 125 mm - enables a wide range of abrasive accessories to be used
- 8 mm shank enables it to be used with various drills on the market

Applications

- For grinding and polishing depending on the type of paper or felt
- Intended for using with a drill and cordless drill-driver

Users

- DIY enthusiasts
- Tinmen
- Joiners
- Fitters
- Masons
