

MN-68-611 Flexible backing pad for angle grinders

Backing pad 125 mm for angle grinders with paper pressure mounting

Features & benefits

- High elasticity of the disc increases its durability and enables it to get to hard-to-reach places
- Pressure mounting allows you to use paper cut out from sheets
- Diameter - 125 mm - enables it to be used with the most popular angle grinders on the market
- Thread size M14 of the inner pressure ring allows you to use them with all angle grinders on the market

Applications

- For grinding and polishing depending on the type of paper or felt
- Intended for using with angle grinders

Users

- DIY enthusiasts
- Tinmen
- Varnishers
- Fitters
- Masons
