

MN-97-0 Keyless drill chucks

Metal keyless drill chuck for quick change of accessories during work

Features & benefits

- Keyless mounting system suitable for quick change of accessories during operation
- High-quality ABS plastic body increases the service life of the drill chuck
- Steel ring allows accessories to be tightened firmly and accurately in the drill chuck
- 1/2" or 3/8" mounting allows the chucks to be used in various drills, depending on the thread of the drill chuck mandrel

Applications

- Intended for using with a drill and cordless drill-driver

Users

- DIY enthusiasts
- Joiners
- Tilers
- Fitters
- Masons
