

MN-16-215 Screw-type angle for bits

Angle bit adapter 1/4" intended for work in poorly accessible areas

Features & benefits

- Angle gear allows you to work in hard-to reach areas.
- Hexagonal shank 6.35 mm allows you to fasten most of the drill-driver chucks with the 1/4" drive available on the market
- Steel cover increases damage resistance
- Strong internal magnet fastens bits and screws properly during work
- Additional side handle provides a strong grip of a adapter during work

Applications

- Intended for holding bits while screwing the screws in hard-to-reach places
- Intended for use with a cordless drill and driver

Equipment

- Angle bit adapter 1/4"
- Side handle
- 2 x Philips bit
- 2 x Pozidriv bit

Users

- DIY enthusiasts
- Joiners
- Fitters
- Mechanics
- Carpenters
