

# R-FSC Drywall collated screws for metal

Drywall screw with fine thread for plasterboard fixing

### **Approvals and Reports**

PN-EN 14566 + A1: 2012 DoP-EN14566 Reaction to fire: A1 Flexural strength: pass

# 10

# Product information

#### Features and benefits

- Top-quality material and dimensional accuracy of the collating strip for improved firmness and stability of screw feeding into the screwdriver ensuring minimised screw jamming or skipping risk
- Optimised screw tip geometry excellent drilling capability
- No pre-drilling required
- Low-carbon steel with black phosphate finish for increased durability
- Bugle head with PH2 drive designed to finish flush with plasterboard

#### **Applications**

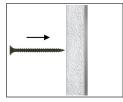

Fastening plasterboard to metal framework

#### **Base materials**

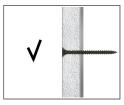

Approved for use in:

Structural Steel

# **Installation guide**

- 1. Drive the screw straight until the head is flush
- 2. Screws with countersunk head allow flush connection
